Tel: (310) 549-5673 Fax: (310) 549-2309

21218 S. Wilmington Ave, Suite 409, Carson, CA 90810

## *On-Site Services Offered*

### *Specialized in Industry Standards*

- IEEE841
- NFPA
- API541
- MG1
- NEMA

### *Switchgear Low & Medium Voltage*

- Testing
- Motor Starters
- Circuit Breakers
- Start Up Services
- Testing documentation
- Preventive Maintenance
- Equipment acceptance testing
- Cubicle door upgrade & replacement

### *Motors & Motor Control*

- Maintenance
- Start Up Services
- Repairs & replacements
- Preventive Maintenance
- Trouble shooting and testing
- Equipment acceptance testing

### *Certificates*

- City of Los Angeles Certified Powerhouse Manufacturer
- Certified MBE

### *Protective Relays*

- Testing
- Calibration
- Start Up Services
- Testing documentation
- Equipment acceptance testing

### *Testing Services*

- High potential
- Battery systems
- Transformer
- Ground fault systems
- Co-generation acceptance
- High & low voltage circuit breakers

### *Other Services*

- Generator Rental (50 kw - 1,500 kw)

*Over 30 years experience specializing in electrical testing, repairs, and maintenance.*
